Dodatkowe informacje:

Alistan grain separator ALS-5

The ALS-5 grain separator is able to provide effective grain cleaning, as well as its calibration and division into classes. Due to this, the grain corresponds to the selected indicator of quality,

moisture content and density.

- Performance in pre-cleaning 8 t / h
- Performance in proper cleaning 5 t / h
- Calibration (sorting) capacity 2.5 t / h
- Width of the separation chamber 390 mm
- Dimensions, mm (L x W x H) 2122 x 757 x 1812
- Power consumption 0.55KW 220V 50HZ
- Weight 180 kg

This offer is valid while stocks last. In the case of export, only the net price is to be paid (stating the valid VAT ID number). We are happy to organize transport for you.
